It is very important that you read carefully any Amendment Sheet which is sent with this brochure or given to you at the auction, in case any of the changes apply to the lot you wish to buy.

## where is the auction room?

Lancashire County Cricket Club is located on the south side of Manchester, minutes from the M60, and has plenty of free parking. There are also good public transport links from Manchester City Centre, as follows:

### Metrolink Tram Services

A regular service operates from Bury in North Manchester, Altrincham (South Manchester), and from Central Manchester. There is a connecting service to Salford Quays and Eccles. The Metrolink is also connected to both mainline railway stations, Piccadilly & Victoria, and runs to Old Trafford Station, next to the cricket ground. Tickets are available from dispensers on all stations.

### Rail Services

Inter City and local services operate to both Manchester Piccadilly and Manchester Victoria stations. Each station is linked to the Metrolink Tram Service. Catch the tram service for Altrincham and alight at the Old Trafford stop which is next to the ground.

### Bus Services

Several buses services operate between Manchester and Sale/Altrincham, stopping at or near to the Cricket Club

# notices to prospective buyers

1. These particulars are intended to give a brief description of the properties included in this auction. Appointments to view can be arranged via the Edward Mellor office specified. Prospective purchasers will be deemed to have inspected the property they are interested in before bidding.

**Where the details state "External viewings only" there will be no access provided to the property either pre auction or between the auction and the completion date. We would recommend that lots which cannot be inspected, whatever the reason, might be unsuitable for buyers who do not regularly deal in such properties, as there is always the risk that they might not be exactly as described.**

Access to the roof void, cellars and other hard to reach areas, whether or not there are ladders/steps present does not form part of the normal viewing process. Prospective buyers are advised to engage a surveyor to carry out these inspections. However, should the buyer wish to carry out these inspections then they do so entirely at their own risk, and accept full responsibility for any damage caused, and may be asked to sign a disclaimer.

2. The Auctioneers have not tested any apparatus, equipment, fittings or services so cannot verify that they are in working order. The buyer is advised to obtain his own verification. Any plans or photographs published are for the convenience of prospective purchasers and do not form part of any contract. Any items shown in the photographs are not necessarily included. No representation or warranty is made in respect of the structure of the property nor in relation to the state of repair thereof. The Auctioneers advise that prospective purchasers should arrange for a survey of the property to be undertaken by a professionally qualified person prior to bidding. Reproduction of maps should not be assumed to be to any specific scale: boundaries and all area calculations should be assumed to be approximate.

Purchasers who require finance in order to buy should ensure that they have an unconditional offer from their lender before signing any contract.

3. The properties included in this catalogue are all to be offered for sale by Public Auction unless previously sold by private treaty. In order to prevent a wasted journey we advise that you should check the availability of properties with the Auction Department on sale day. Pre-auction offers will only be considered once they have been received IN WRITING by the Auction Department. They are then conveyed to the vendor in writing, and you will only be notified if the offer is acceptable. Should you not hear from us, it is safe to assume that your offer was rejected and the property is still going to auction. All pre-auction offers will be assumed to be your best and final offer and no guarantee can be given that you will be invited to increase your bid in the event of an alternative acceptable offer being received prior to exchange.

4. All properties are offered subject to the Common Auction Conditions, extra and special conditions, or by an addendum. You can find the Common Auction Conditions at the back of the Edward Mellor residential section of catalogue. The extra and special conditions, along with addendum, are available for inspection online prior to the start of the sale at the venue. The legal documents on each individual property are also available for inspection on the same basis. These can be downloaded from our website. If you are unsure how to utilise this documentation, we **STRONGLY** recommend you take the advice of a solicitor before attending the sale, as all prospective purchasers will be deemed to have inspected these and made the usual pre-contract enquiries before bidding or signing contracts either pre- or post-auction. In particular we would recommend that enquiries be made of the relevant Local Authority, as the local searches that are given to us may not always contain up-to-date information regarding regeneration strategies and associated compulsory purchase schemes.

5. Intending purchasers are advised to check documentation and take advice upon the exact nature of domestic tenancies on properties in which they are interested prior to bidding. Tenants who occupy on Regulated Tenancies almost undoubtedly have their security of tenure protected. Others, on Assured Shorthold Tenancies, will only have limited protection. Would-be purchasers should assure themselves that the documentation has been completed as they expect, since the auctioneers were not a party to the original lettings and cannot therefore certify the descriptions as correct. Where the catalogue states that we are "awaiting sight of tenancies", buyers should check with us that these have been received prior to bidding on the property.

**Please note that it is not always possible to arrange access for surveyors to inspect properties which are tenanted, and it is therefore imperative that prospective buyers who require finance enquire about access before bidding at auction.**

6. Guide prices are provided as an opinion only and are not to be taken as the reserve price, which may or may not be the same as the guide. These can be subject to amendment at any time. The reserve price is the lowest price the vendor will accept. This is agreed between the vendor and the Auctioneer. This is also confidential and not disclosed to any parties.

7. If you are not able to attend the auction in person, then you may bid by instructing the Auctioneer to bid on your behalf by Telephone or Proxy. Forms may be found in the catalogue and these should be completed and returned with cheques to the Auctioneers before 5pm the day before the sale.

8. The Auctioneers reserve the right to amend the lotting order at any time prior to the sale.

9. If there are any Addendum to the catalogue, these will be announced prior to the commencement of the sale and will be available in the Auction Room. Purchasers shall be deemed to purchase with full knowledge of this information.

10. On arrival at the auction you will be asked to complete a form, giving your name, address,

telephone number and your solicitor's details. In exchange you will receive a numbered bidding paddle from which we can identify you.

11. The auctioneer reserves the right to bid up to the reserve on behalf of the vendor.

12. Would successful purchasers please be advised that on the fall of the hammer, THE TRANSACTION BECOMES LEGALLY BINDING. Immediately thereafter, the purchaser is required to sign a memorandum of sale giving the Auctioneer's Clerk their name, address and solicitor's details. A deposit of 10% of the purchase price (minimum £2,000) is payable and completion usually takes place 28 days from the date of exchange. Deposits must be paid by banker's draft, building society cheque or bank counter cheque. Credit cards can be used subject to a surcharge of 2% (American Express not accepted). Personal cheques can be used if accompanied by two forms of identification (i.e. driving licence, passport or utility bill). Failure to do so may result in the property being re-offered for sale. Please note that any cheque returned unpaid by the bank, whether represented or not, will incur a charge of £25.00 which will be billed to the originator of the cheque.

13. A 0.5% Buyers Premium with a minimum of £495.00 (inclusive of VAT) will be payable by the Buyer or his/her agent for each lot purchased, at the same time as, and in addition to, the contractual deposit.

14. Keys will not be released on any property until completion has taken place. Should keys be required before the agreed completion date, then the buyer will have to arrange the usual key undertaking via their own solicitor, or complete the sale early

We hope that we have covered all the aspects usually encountered; however, the Auction Department will be pleased to assist with any other queries you may have. **Good luck!**

# Terms and Conditions

## for proxy, telephone and internet bidding

1. A prospective purchaser must complete and sign the authorisation form opposite, using one form for each lot. In particular the purchaser should complete the part which shows the maximum price which he authorises the auctioneer to bid for a particular property. The maximum price to which the auctioneer is authorised to bid must be an exact figure (not, for example, "£100 over the highest bid in the room"). The auctioneer reserves the right not to bid on any purchaser's behalf should there be any error of confusion in respect of these instructions or the accompanying deposit cheque.

The completed form(s) must be delivered to Edward Mellor Auctions, 65-81 St Petersgate, Stockport SK1 1DS no later than the day before the auction. Any request to alter or withdraw any proxy or telephone bidding form at any time prior to the auction must be in writing. Please include two forms of ID (one with photo).

2. The prospective purchaser appoints the auctioneer as agent and authorises the auctioneer to bid for the relevant lot on behalf of the purchaser in such manner as the auctioneer thinks fit in his absolute discretion, and authorises the auctioneer or any partner or employee of Edward Mellor Auctions to sign the Memorandum of Sale on his behalf.
3. The prospective purchaser is considered to have inspected the auction catalogue including the Notices to Buyers, General Conditions of Sale, and Sales Particulars for each lot, and to be aware of any Special Conditions or Amendments which have been made to the details for each lot, and agrees that the signing of the Memorandum of Sale indicates acceptance of the information so provided.

4. Prospective purchasers should enclose with their authorisation form(s) a valid cheque or bank draft drawn on a United Kingdom branch of their bank, representing 10% of their maximum bid (minimum £2000,) PLUS the 0.5% (min. £495.00) Buyers Premium, for each lot. Where the lot is purchased below the maximum bid, the balance of the deposit cheque will be considered an additional deposit towards the purchase price.

In the case of telephone/internet bidding, the purchaser may instead provide a blank cheque which the auctioneers will complete on behalf of the successful purchaser for 10% of the purchase price plus the 0.5% of the purchase price (min. £495.00) contract documentation charge.

5. Unless the relevant lot is sold to the prospective purchaser, the amount of the maximum proxy or telephone bid will not be disclosed to the vendor or any other person whether before or after the sale without the consent of the prospective purchaser.
6. The auctioneer reserves the right to bid himself or through an agent up to the reserve price for a particular lot.
7. The auctioneer will make no additional charge for this service, and will accept no liability whatsoever for any bid not being made on behalf of the prospective purchaser whether through lack of clarity or instructions, late arrival of a proxy bid authorisation form, failure to contact a telephone bidder from the auction room, or for any other reason whatsoever. Telephone/internet bidders are advised that should they become disconnected or interrupted during bidding, Edward Mellor Auctions will not be held responsible for any loss suffered in respect thereof.
8. The prospective purchaser will be advised if the relevant lot has been successfully purchased on their behalf as soon as possible after the auction. Where the bid has not been successful, the proxy, telephone, internet bidder will be notified and the deposit will be returned as soon as reasonably possible. Banks processes may cause delays in refunds for some card payments.
9. Prospective purchasers are advised to telephone Edward Mellor Auctions (0161-443 4740) before 10.00 am on the day of the auction to ensure that there are no amendments to the particulars of sale or special conditions relating to the lot they are bidding on. The purchaser will be expected to have knowledge of any such changes and will buy subject to them in any event. If the prospective purchaser does not telephone and such amendments have been made, the auctioneer may in his absolute discretion decide not to bid for the relevant lot on the prospective purchaser's behalf, or refuse to accept bids by or on behalf of prospective purchasers, and the auctioneer will not be held responsible for any loss, costs or damages incurred as a result thereof.

10. When a prospective purchaser intends to bid at the auction in person or through an agent, such intention must be conveyed in writing to the auctioneer in person prior to the lot being offered for sale. In such a case the auctioneer will not make any bids on behalf of the prospective purchaser.
